

# WELCOME

This software is designed to help conduct trials by taking inputs from users and feeding an A.I system through machine learning. The A.I will then process these inputs, resulting in a verdict for trials...

# Should Capital Punishment be legal?

•••••••••

It's necessary

It's useless

## Capital Punishment:

The legally authorized killing of someone as punishment for a crime

arbiter  
inc. 

# Should Abortion be allowed?

••••••••••

Pro-Choice

Pro-Life

Pro 1:

The crime of killing a human  
being without malice or planning.

arbiter  
inc. A white icon of a balance scale with a single scale pan on each side.

A train is speeding down its track towards 5 unsuspecting workers, you can save them by pulling a lever next to you and diverging the train, however the diverging track has 1 worker sleeping on it, would you pull the lever?

Pull the lever

Don't pull it

# Should **Manslaughter** be given the same punishment as murder?

• • • • • • •

Same outcome  
so, Yes.

It's not the same  
so , No.

## **Manslaughter:**

The crime of killing a human being without malice or planning.

arbiter  
inc. 

You are falsely accused of a crime, but  
the evidence is pointing in your  
direction, would you lie even about facts  
that are true in order to save yourself?

.....

I still can't lie  
in court

Obviously I'd  
save myself

Is it justified to kill in order  
to **defend someone else?**

.....

It's like  
murder

It's just like  
self-defence

### **Self-Defence:**

The act of defending ones life or property through  
forceful means, legally permissible in many cases.

arbiter  
inc. A white icon of a balance scale with a circle at the top and two pans at the bottom.

You're a judge, working the trial of an  
**innocent man**, the prosecutors have  
kidnapped your child and are demanding  
you to **deem the innocent man guilty** in  
**exchange for your child's release**. What  
would you do?

.....

Save my child

I can't convict  
an innocent man

arbiter  
inc.

You witness a man **steal a lot of money**  
**from a bank** but you discover that it was  
stolen to save an orphanage from  
**bankruptcy**. Do you report the man to the  
police or stay silent?

.....

Report, It's  
still a crime

Don't report, it's  
for a good cause

arbiter  
inc.

You're involved in a car crash with another vehicle which ends up **killing a pedestrian**. The person in the other car comes out shocked and **exclaiming that it was their fault**, but **you're certain it was yours**. Do you admit your fault or let the other person take the blame?

.....

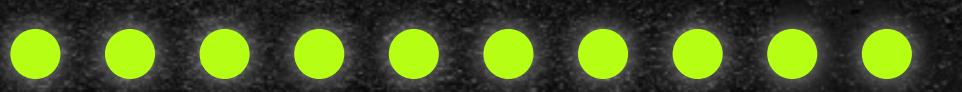

Let them take  
the blame

Don't let them  
take the blame

arbiter  
inc.

A company designs 2 automated cars, in  
the case of an accident, one is  
designed to protect the driver and  
passengers of the car, while the other  
is designed to save the ones outside.  
Which car do you choose to drive?

Car that  
protects itself

Car that  
protects others
